In general terms the rates represent the ordinary weekly amount payable to the employee and do not include site specific or other various compensatory allowances.

Seasons Greetings

The Chairman, Board Members, CEO and Staff would like to extend their appreciation for your support during the past year and to wish you, your staff and your families a very safe, healthy and happy Christmas and a prosperous New Year.

The TasBuild Office will be closed from 1.00 p.m. on Friday the 23rd of December 2016 and will re-open on Tuesday the 3rd of January 2017.

Best wishes for the season.

Chris Atkins CEO

Return Lodgement

In keeping with previous years, we will be taking a lenient approach to the lodgement of your December 2016 and January 2017 Employer Returns.

Whilst we would like everyone to lodge their Returns by the 14th day of the month following the Return Month we understand that the Construction Industry traditionally closes over the Christmas, New Year period. We will allow a level of leniency where the above Returns are lodged a little later than specified, and we will be applying a reasonableness test in this area.

Please note this leniency does not extend to payments that are due and Returns that are due or past due for prior months.

TasBuild Survey—Prize Winner

All employers who completed the TasBuild Survey received a chance to win a **Big Bash League Century Club Membership** package for two people.

Mr. Michael Bromfield of Evolution Plumbing was the lucky winner of the prize.

Thank you Michael and to all the employers who took time out of their busy schedules to provide us with the very valuable feedback.

Your feedback has been collated and we will be using this feedback in developing our Strategic Plan.

*Merry Christmas and a happy New Year to you
and your loved ones*
