

What is the Construction Industry?

Version June 2022

A requirement to register with the scheme arises when an employer is engaged in the Construction Industry.

The 'Construction Industry' is any industry described in the relevant sections of Division C and all of Division E of the 1993 Version of the Australian, New Zealand Standard Industrial Classification (ANZSIC) Code. A link to the ANZSIC codes can be found on the TasBuild website under the Employer section, and 'What is the construction industry?'.
 Maintenance of plant and equipment when carried out by an employer not in the construction industry, is excluded.

Maintenance of plant and equipment when carried out by an employer not in the construction industry, is excluded.

Some businesses not classified as construction under the ANZSIC codes may still be captured if their workers are undertaking relevant employment in the construction industry.
